

# The Spur

THE SPUR DEVELOPMENT offers established quality residential living with spectacular views and position overlooking undoubtedly some of the most picturesque coastal views Christchurch has to offer.

## SUPERIOR, ELEVATED SECTIONS WITH SPECTACULAR VIEWS

The Spur development encompasses executive living within a premium development of high quality properties with spectacular, sheltered views of Moncks Bay and beyond.

Located adjacent to the popular Kildare subdivision The Spur sections are

surrounded by properties built to exacting standards, a peaceful setting with uninterrupted sea views from every section.

Landscaped access roads and boundary reserves guarantee easy living with the feeling of space and openness.

With section sizes ranging from 665m<sup>2</sup> through to 1710m<sup>2</sup> there's a section to suit everyone.

### Why choose to live at THE SPUR?

- Enjoy uninterrupted coastal views, everyday, from sunrise to sunset
- Just minutes from the beach for water sports and family leisure activities
- Established community of high specification homes already completed
- Mature nature reserve boundaries
- A peaceful backdrop, yet still only minutes from local amenities in Redcliffs Village

Another project successfully sold out by Adam.
